CHAIRMAN MESSAGE

Major Group of Companies, with over five years of experience in successfully managing a large and diversified client base, is recognized as one of the leading service providers in Qatar. We offer a unique self-delivery capability across a full spectrum of services, including manpower solutions, hospitality, facility management, and integrated service offerings tailored to meet client needs. Our greatest strength lies in our workforce of over 300 employees, supported by an experienced management team of industry specialists, advanced employee training and development centers, modern technology platforms, and a dedicated customer care center. With a strong focus on customer satisfaction, we continuously deliver improved solutions through cost and resource optimization, global benchmarking, efficient management practices, economies of scale, and strong purchasing power. Our Center of Excellence works closely with clients and vendors to support mobilization, transition, and operations while continuously enhancing service delivery processes and systems. We take our responsibilities toward our employees, society, and the environment very seriously. Major Group invests significantly in ensuring high-quality welfare facilities for our workforce and takes pride in promoting the development and employment of local talent. Furthermore, we are committed to environmental sustainability by actively reducing our carbon footprint through eco-friendly practices and responsible service delivery. Our efforts have also been recognized in promoting environmental awareness and sustainable operations. Today, Major Group is strategically positioned to adapt to evolving industry dynamics while maintaining a strong, client-focused approach and commitment to excellence.

SARAH KHALID A A FAKHROO

CEO MESSAGE

As the General Manager of our company, I would like to extend a warm welcome to all of our clients and stakeholders. At our company, we take pride in delivering top-notch manpower, facilities and hospitality management services that meet the unique needs of each of our clients. Our team of highly skilled and dedicated professionals is committed to ensuring that our facilities are well-maintained, safe, and comfortable environments for everyone who uses them. We understand that managing facilities can be a complex and challenging task, which is why we offer a comprehensive range of services designed to meet the needs of our clients. From Services, maintenance and repair to energy management and sustainability, our team works closely with each client to understand their specific requirements and to develop customized solutions that deliver the results they need. As we move forward, we are committed to continuously improving our services and to investing in new technologies and practices that allow us to stay at the forefront of the industry. We believe that by staying at the cutting edge of facility and hospitality management, we can better serve our clients and help them to achieve their goals.

MR. GOLAM AZOM

GM MESSAGE

Our dedicated General Manager, Engr Hidayat Ali Khan, ensures smooth operations and meticulous attention to detail on all our projects. More than 34 Years Experience in Oil and gas, Powerplant, Offshore, Refinery, Electromechanical, Infrastructure, High Rise building's & Maintenance contractors. We expect that Qatar Economy will resume a strong growth track. In the construction industry, competition is getting increasingly tougher and despite the increasing work opportunities in the region, securing contracts is becoming more and more difficult. Therefore, the development of knowledge, improvement of skills of human resources in conformity with technological progress, ensure and increase the efficiency of construction expertise is becoming a must and in conjunction with this we consider it our role as a industry leader to demonstrate ourselves to undertake major projects. We consider every valued client as an integral partner and every project as a partnership opportunity to reinforce our values regardless of the project size and scope. We go an extra mile to ensure the partnership will be mutually beneficial

Engr. Hidayat Ali Khan

Engr. Hidayat Ali Khan

GENERAL MANAGER EXPERIENCES

Our General Manager brings extensive experience in managing large-scale construction and infrastructure projects across Qatar. Since January 2021, he has been serving as Manager of Projects & Quality at Masafat Trading & Contracting Company in Doha, overseeing major projects such as NOH2 / EPIC & Kahramaa (Excavation & Cable Works) with an approximate value of 200 million QAR. These projects involved prestigious clients including Ashghal Qatar, Kahramaa, and Qatar Petroleum, with consultants such as Aecom, Black Cat, and Tractebel, and collaborations with leading contractors like QDVC JV, Bin Omran Contracting & Trading, Doha Petroleum, and L&T Qatar.

Prior to this, from May 2018 to December 2020, he worked as General Manager at Naru Trading & Contracting Company, managing projects including the Daewoo Staff Accommodation in Barwa and Abraj Tower, valued at approximately 37 million QAR, in coordination with Daewoo Engineering and Skyline Engineering Consultants. Between November 2016 and April 2018, he served as Construction Manager at Mitsubishi Heavy Industries Limited for the Doha Metro (Qatar Rail) project, a landmark infrastructure development valued at 10.4 billion USD, working alongside Qatar Rail, PMCH (Systra Parsons), and major subcontractors such as Redco, Porr, Galfar, and AALYSJ.

Engr. Hidayat Ali Khan

GENERAL MANAGER EXPERIENCES

The foundation of our General Manager's expertise was built through extensive hands-on experience in electrical and infrastructure projects across the Gulf region. From May 1999 to December 2000, he worked as an Electrical Supervisor with Nesma Emcor Company Limited in Riyadh and Makkah, Saudi Arabia. During this period, he contributed to significant projects including the Sultan Humanitarian City (Cancer Hospital) in Riyadh and the Al Diyafa Shopping Mall in Makkah, covering both building and infrastructure works. These projects were executed in collaboration with consultants Zoher & Fayaz and Dar Al Riyadh, alongside contractors Nesma Alfadel and Emcor Company Limited.

Today, the company stands as a fully certified organization holding ISO 9001:2015, ISO 45001:2018, and ISO 14001:2015 certifications. With a strong legacy of technical excellence and leadership experience, the company is well-equipped to undertake major contracts in building and civil construction, infrastructure development, industrial projects, MEP services, and specialized engineering works of any scale.

Between August 2007 and October 2010, he worked as QA/QC Manager (Electrical & Instrumentation) with Areva and Alstom Power Turbo in Saudi Arabia, contributing to the Shoaiba Power Plant project (3×397MW Steam Turbine), a large-scale development for the Saudi Electricity Company (SEC). This project was carried out under the consultancy of Kuljian, with Alstom Power Turbo as the main contractor and NCC Contracting Company as subcontractor.

SUSTAINABILITY

“Our sustainability strategy encompasses all aspects of energy conservation, carbon footprint reduction, waste management, and full compliance with global standards for developers, building owners, and operators. We proudly introduce CO₂ Neutral Cleaning—a revolutionary system that evaluates the carbon emissions and environmental impact at every stage of the cleaning process, delivering a precise assessment of the overall carbon footprint. By gaining a clear understanding of these impacts, organizations can effectively reduce energy, water, and material consumption, optimize operational costs, and demonstrate a strong commitment to sustainability through innovative best practices. As the first solution of its kind in the industry, CO₂ Neutral Cleaning is setting new benchmarks and leading the transition toward a cleaner, greener, and more sustainable future.”

We are always here to assist you with your inquiries, projects, and service needs. Our team is committed to providing prompt responses, clear communication, and reliable support to ensure your complete satisfaction. Reach out to us anytime, and let us help you find the right solutions.
